## 6.1.1 – Vision and Mission of Institution

Mission and Goals mentioned in the prospectus of the college.

Scanned with OKEN Scanner

Navgan Shikshan Sanstha Rajuri (N.)  
Mrs. Kesharbai Sonajirao Kshirsagar Alias Kaku Arts,  
Science & Commerce College, Beed.

## MISSION

To create liking for education among students and raise their education standard to effect their moral and physical development with the view to fulfill the expected objectives.

## OUR GOALS

- To contribute in the field of education by providing qualitative value based services to the residents of Beed and the region
- To develop student's personality and nourish fraternity through extracurricular activities.
- To ensure a safe sustainable environment that promotes learning, communication, diversity and satisfaction among students, faculty and staff.
- To enhance physical and technological infrastructure to support changes in the learning.
- To provide platform for the students to confront with the change of competitive world by utilizing their potential in various fields.
- To provide the research facilities which would promote the exploration in core areas related to traditional and contemporary fields of study.
- To sensitize students regarding environmental issues.
- To inculcate self discipline accountability in the students so as to elevate them as most responsible and respectable citizen of the society.

## Mission

To create linking for education among the students & raise their education standard to effect their moral and physical development with the view to fulfill the expected objectives.

## GOALS

- 1) To contribute in the field of education by providing qualitative value based services to the residents of Beed and the region.
- 2) To Develop students personality nourish fraternity through extra curricular activities.
- 3) To ensure a safe sustainable environment that promotes learning, communication, diversity and satisfaction among students, faculty and staff.
- 4) To enhance physical and technological infrastructure to support changes in the learning.
- 5) To provide platform to the students to confront with the change of competitive world by utilization of their potential in various fields.
- 6) To provide the research facilities which would promote the exploration in core areas related to traditional and contemporary fields of study.
- 7) To sensitize students regarding environmental issues.
- 8) To inculcate self discipline accountability in the students so as to elevate them as most responsible and respectable citizens of the society.
