Environmental Policy of the College

1. Preamble:

Mrs. Kesharbai Sonajirao Kshirsagar Alias Kaku Arts, Science & Commerce College, Beed is committed to environmental protection and sustainable development. The institution recognizes its responsibility towards conserving natural resources and creating environmental awareness among students, staff, and society. The college strives to maintain a clean, green, and eco-friendly campus through sustainable practices in teaching, research, and campus management. Environmental protection and sustainability are integrated into the academic and extension activities of the institution.

2. Objectives:

The Environmental Policy aims to:

1. Promote environmental awareness among students and staff.
2. Maintain a clean, green, and pollution-free campus.
3. Encourage sustainable use of natural resources such as water and energy.
4. Implement effective waste management practices.
5. Promote biodiversity and tree plantation within the campus.
6. Reduce the use of plastic and encourage eco-friendly alternatives.
7. Conduct environmental education, research, and outreach programs.
8. Follow environmental laws and guidelines issued by regulatory authorities.

3. Environmental Practices of the Institution:

Green Campus

- Tree plantation drives and maintenance of green spaces.
- Development of eco-friendly campus infrastructure.
- Energy Conservation
